

**We,**  
**Our Royal Highness Thorbjorn I**

**Paternò Castello di Carcaci Guttadauro di Valencia  
D'Ayerbe D'Aragona D'Emanuel etc... etc...**

For the grace of God and by right of hereditary succession,  
Sovereign Prince, Head of Line and Arms of the Royal House  
of Valencia and Sardinia,  
by land and by sea,  
to all those who will read the present paper, under the eternal protection of  
the Lord,

**We,**  
in recalling to our memory the glorious  
symbolic enterprises and traditions of our Royal Sovereign House, intend,  
as a worthy continuation, to renew its feats and merits.

**By virtue**

Of the powers of succession and of the dynastic rights of our Predecessors,  
*ex tunc* legitimately, publicly and indisputably employed and recognized  
since endless times, with the consent and will of the people of the East and  
the West, as well as ascertained as fons honorum by irrevocable Royal and  
Republican sentences, made definitive as the chief of the august Lineage  
which, through Its Regulations, revised and harmonized with the customs  
of modern life, recalled the Kingdom of Valencia to its pure and most  
ancient origins, gathering around him the elected Ranks of the Aristocracy  
and Knighthood and the highest class of citizens from any Country and  
Nation, free from prejudices of race and religion, contributing, with a  
singular oeuvre, to charity deeds, social education, conservation of the most  
sacred principles of human life, at the same time contributing to refine,  
through Aristocracy and Knighthood, the customs, traditions, virtues and  
deeds of the highest, so that civilization would not die and the world would  
prosper in the serenity of big and small daily feats;

## **In respect**

Of the illustrious aim to reunite Dames and Knights to harmonize an action meant to safeguard and valorize the traditional and historical rights of Aristocracy and Knighthood and the cultural and social rights of the highest elected class of citizens from any Country and Nation, through mutual assistance and cooperating in order to defend Civilization with any means, both in the Eastern and in the Western hemispheres;

## **Considering**

That this Royal House of ancient Valencian-Aragonese origin and tradition has always directed its attention to the Divine Light which shines from the spiritual and historical heritage of Blood, of Honor and of Greatness;

## **In view of**

Our sacred and inviolable right as a prerogative of the *Magni Rescritti*, with the widest powers, as established by the Laws of heraldry, nobility and knighthood, and as it belongs to the prerogatives intrinsic to the *Fons Honorum* of this very ancient Sovereign House;

## **Having evaluated**

The high merits and the illustrious and distinguished deeds of Faith, Virtue, Compassion, Feats and Intelligence  
And the worthy and beseeching requests by
